The corn and milo piles are currently under stop-sale order by the Office of the Texas State Chemist and shall not be removed prior to the review and approval of a disposition plan for the corn and milo and an official withdrawal of the stop-sale notice. Review Texas Commercial Feed Control Act,

SUBCHAPTER F. ENFORCEMENT; REMEDIES

§141.121. Stop-Sale Order.

- (a) If the Service has reasonable cause to believe that a commercial feed is being distributed in violation of a provision of this Chapter, the Service shall affix to the container of the feed a written notice containing:
- (1) an order to stop the sale of the feed; and
 - (2) a warning to all persons not to dispose of the feed in any manner until the Service or a court gives permission or until the stop-sale order expires.

SUBCHAPTER G. PENALTIES

§141.146. Disposal of Feed Subject to a Stop-Sale Order.

- (a) A person commits an offense if the person disposes of feed subject to a stop-sale order in violation of Section 141.121 of this code.
- (b) An offense under this section is a Class C misdemeanor unless it is shown that the person has previously been convicted of an offense under this Subchapter, in which event it is a Class B misdemeanor.

Please submit disposition plans to me, Ben Jones.

Ben Jones

All:

Attached please find the notice letter regarding the removal of the Large Debris Pile (LDP) and the corn and milo piles near the West Fertilizer Site. Also attached is the protocol previously distributed. **Per the notice letter, please confirm your attendance on or before close of business on Friday, June 21, 2013.**

Sincerely,

Heather C. Charette
